AND INNOVATIVE TECHNOLOGY**

# PUREMIX CONNECT BEVERAGES

## THREE BEVERAGES

- ➔ **MODERN DESIGN**  
many body lining patterns - **NEW!** - wooden oak lamellas
- ➔ **ALL INCLUSIVE SERVICE**  
online support and in the form of instructional videos, remote diagnostic and service support, monitoring device operation, ensuring punctual deliveries, remote orders and reports
- ➔ **INTUITIVE OPERATION**  
friendly interface, flexible portion size settings
- ➔ **TOUCHSCREEN**  
comfortable and efficient use, clear icons, messages in 25 languages, improved hygiene of use
- ➔ **ERGONOMIC OPERATION**  
easy and quick loading of products
- ➔ **ECOLOGICAL SOLUTION**  
using up to 15 times less plastic
- ➔ **EFFICIENCY**  
filling one 160ml glass takes only 6 seconds
- ➔ **A VARIOUS SELECTION**  
loading three packages with PURENA products and cold still water

## STANDARD 3+1

- ➔ loading three 2.5 kg sachets allows for preparation up to **400 portions** of ready-made drinks or juices
- ➔ clear 7" touch screen
- ➔ compact size and eye-catching design that fits perfectly into the nature of various spaces and arrangements
- ➔ three different products + chilled still water available in device

**2.5 kg sachets**

## VARIO 3+1

- significantly greater efficiency: one of loading three packages Bag In Box 6 kg allows you to prepare up to **800 portions** ready-made drinks or juices
- clear 10" touch screen
- compatibility with 2.5 kg and 6 kg Bag In Box sachets, which allows to select any operating mode in one VARIO device (with different connectors) depending on your needs
- Loading three 2.5 kg sachets allows for preparation as many as **400 portions** of ready-made drinks or juices

**BAG IN BOX 6 kg**  
**optional 2.5 kg sachets**

## VARIO TOWER 3+1

For those who value **modern design**,  
We also recommend the under-counter version  
**Vario Tower**.

- attractive appearance
- saving space on the countertop
- glass pourer height adjustment, carafe or jug
- possibility of integration into furniture

**BAG IN BOX 6 kg**  
**optional 2.5 kg sachets**
